ELECTION COMMUNICATION

If I am elected as MP to represent the Staffordshire Moorlands I will continue to fight for the issues in our surrounding area.

The Staffordshire Moorlands deserves an MP who is up to date on local issues whilst residing in the area in order to tackle them effectively.

Being a founding member of the Save Leek Hospital Action Group I have worked tirelessly to safeguard the future of health care in our area.

A MESSAGE FROM SAVE LEEK MOORLANDS CAMPAIGN GROUP

"If elected to represent the Staffordshire Moorlands, as your Member of Parliament, Nick would continue to fight for the community in which he was born and has lived in all his life.

A family man who has worked as an IT Administrator for the last nineteen years in a local Building society Nick has been a great community worker giving his time and energy to help with many local groups indeed, a person anyone would be lucky to have on their side.

We believe that if he was elected he would use this same energy to represent the whole of the Staffordshire Moorlands and bring a new attitude to politics in our area - one, which concentrated on what, is best for The Moorlands, free from political ties.

Save Leek Hospital Action Group is proud to promote Nick Sheldon as a candidate in the forthcoming General election."

VOTE

"I am the only candidate who is not constrained by party politics. My primary concern is saving the Moorlands Hospital. If we as a community are having a health resource taken away, then everything else suffers. Our schools, our local businesses, in fact, the whole community!!!

I am from the Moorlands, I live in the Moorlands, my son goes to school in the Moorlands, both myself and my partner work in the Moorlands. I believe in the Moorlands."
